

Focus Areas of the LIVE UNITED Movement

United Way and its 21 partner agencies work to engage citizens to **GIVE**, **ADVOCATE** and **VOLUNTEER**, so together we can make available the three basic building blocks of a successful life.

- ♦ **EDUCATION** - Helping children and youth achieve their potential
- ♦ **INCOME** - Promoting financial stability and independence
- ♦ **HEALTH** - Improving physical health and well-being

Why Join the LIVE UNITED Movement?

Because united, we stand.
United, we elevate.
United, we can change what we see in
our world.

10-Year Goals of the LIVE UNITED Movement

- ♦ Cut the number of young people who drop out of high school by half
- ♦ Cut the number of lower-income families that lack financial stability in half
- ♦ Increase the number of youths and adults who are healthy and avoid risky behaviors by a third

Give. When you donate to the United Way, you invest in your community.

Advocate. You make change happen with your voice. Get informed. Tell your friends. Write a letter to the editor. United Way needs people who are passionate about our community to make some noise.

Volunteer. You advance the common good when you volunteer. Join hands. Lend your muscle. Give an hour; give a Saturday. Reach out your hand to one and influence the condition of all.
